The Blue Water Navy Vietnam Veterans Act of 2019 changed the way the VA guaranty is calculated for loans closed on or after January 1, 2020 for purchase, refinance (other than IRRRLs), and construction loans above \$144,000. Specifically, for Veterans with full entitlement, the maximum guaranty amount is 25 percent of ANY loan amount above \$144,000, regardless of the county loan limit. **However, for Veterans with partial entitlement, the maximum amount of guaranty for a loan above \$144,000 may not exceed the lesser of 25 percent of the loan amount or 25 percent of the county loan limit minus the amount of entitlement previously used and not restored.**
